Adding Inventory

The inventory tab is where you will list all of your business inventory. First select "Inventory" and then select "New Item".

The screenshot shows the PACKAGE BEAST web application. On the left is a sidebar with navigation links: Inventory (highlighted), Containers, Shipments, Settings, Billing, and Logout. The main header area contains the PACKAGE BEAST logo and a 'New Item' button. Below the header, the 'Inventory' section is active, displaying a table of items. A 'Filter' link is located above the table.

SKU	Description	Length (in)	Width (in)	Height (in)	Weight (lb)
	Pastel Paints	4	4	10	1
	Ping Pong Balls	7	7	2	3
	Latex Gloves	8	8	3	3
	Antibacterial Soap	10	4	10	3
	Healthy Heart Dog Choice	5	5	30	40
	Beach Ball	3	3	19	2
	Paint	4.25	4.25	7.625	3.2

Adding Inventory

Next add a brief description of the inventory item along with the dimensions and weight. Your dimensions need to be accurate to 1/16 of an inch! Then click "Save".

Adding Shipping Containers

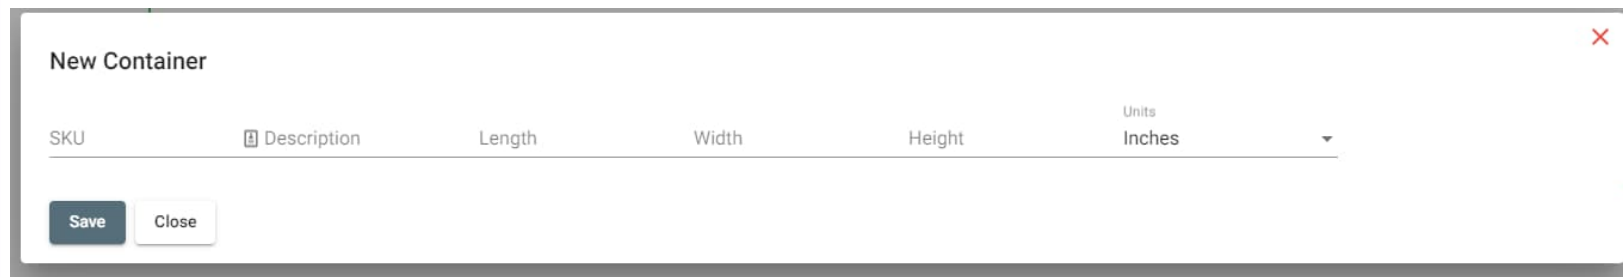

The “Containers” tab is where you will list all of your businesses shipping containers. First select “Containers” and then select, “New Container”.

The screenshot displays the PACKAGE BEAST web application interface. On the left is a sidebar with navigation links: Inventory, Containers (highlighted with a red box), Shipments, Settings, Billing, and Logout. The main header area includes a back arrow, the PACKAGE BEAST logo, and the user name David. Below the header, the page title is "Shipping Containers", and a "New Container" button (also highlighted with a red box) is located in the top right. A "Filter" label is positioned above a table that lists shipping containers. The table has six columns: SKU, Description, Length (in), Width (in), Height (in), and Volume (in³). It contains five rows of data representing different container sizes.

SKU	Description	Length (in)	Width (in)	Height (in)	Volume (in ³)
112454	Small	7	7	18	882.0
123456	X Large	18	18	24	7,776.0
12489	Large	8	8	24	1,536.0
987978	Medium	10	10	12	1,200.0
44515	X Small	9	4.5	8.25	334.1

Adding Shipping Containers

Next add a brief description of the shipping container along with the *interior* dimensions of the shipping container. **Your dimensions need to be accurate to 1/16 of an inch!** Then click "Save".

The screenshot shows a web form titled "New Container" with a close button (X) in the top right corner. The form contains several input fields: "SKU", "Description" (with a small icon to its left), "Length", "Width", "Height", and "Units". The "Units" field is a dropdown menu currently showing "Inches". At the bottom left of the form are two buttons: "Save" and "Close".

SKU	Description	Length	Width	Height	Units
